▲ Top View

▲ Front View

▲ Left View

Standard Features:

- Integrated air-conditioning system
- Smart access control via app, access card or facial recognition
- Floor-level structural frame
- Weather-resistant foundation pad
- Double-glazed insulated glass
- Integrated privacy curtains

Eden Outdoor - 4 Pax Compact Outdoor Collaboration

A comfortable four-person pod designed for private meetings, focused discussions and collaborative work. Its compact footprint makes it ideal for gardens, terraces, campuses and outdoor commercial spaces.

Add functional meeting space without permanent construction.

Eden Outdoor – 6 Pax More Room to Meet Outdoors

A spacious six-person pod created for team discussions, client meetings and collaborative sessions. Its climate-controlled interior provides a comfortable and private environment throughout the day.

Expand meeting capacity while making better use of outdoor areas.

Eden Outdoor – 8 Pax Outdoor Space for Bigger Conversations

A larger eight-person pod designed for group meetings, presentations and extended collaboration. It transforms underutilised outdoor space into a comfortable and professional meeting environment.

Create additional group meeting space without modifying the main building.

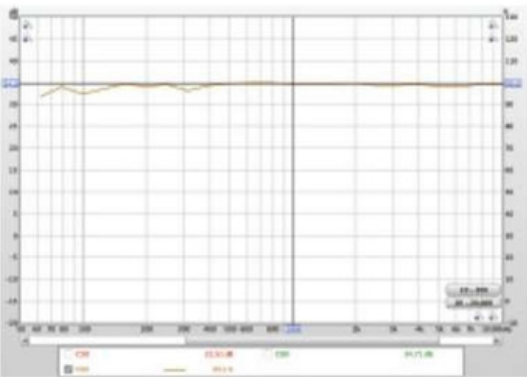

EDEN SERIES - 4 PAX | SPECIFICATION

Construction & Features

- Double-layer insulated glass
- Waterproof treatment
- Anti-conductive housing
- Floor-level structural frame
- Integrated air conditioning
- Central lighting: 4000K / 750 lux
- Adaptable 100–240V power supply
- Integrated power, furniture and emergency systems
- E0 environmental protection grade

Technical Specifications

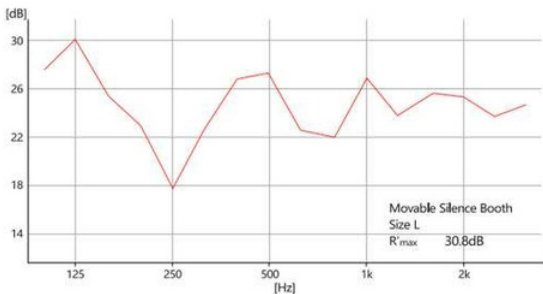

Specification	Details
Model	Eden Outdoor – 4 Pax
Exterior Dimensions	W 2200 × D 1586 × H 2300 mm
Interior Dimensions	W 2040 × D 1540 × H 2140 mm
Packing Dimensions	W 2270 × D 1060 × H 1080 mm
Net Weight	642 kg
Gross Weight	707 kg
Cooling Capacity	8,532 BTU
Standard Colours	S115, S235, S169, S201, S211

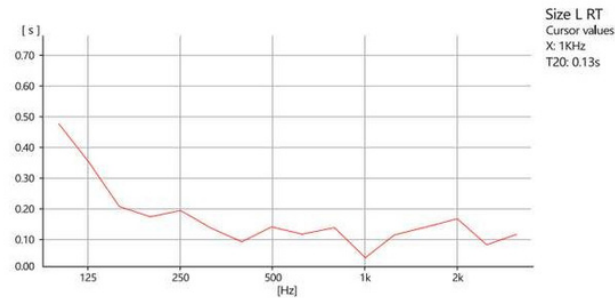

Speech intelligibility

Frequency response

Sound insulation test

Reverberation time test
